5) On account of the spread of COVID-19, the Government of India had imposed a complete nation-wide lockdown on 25 March 2020 leading to shut down of the Company's manufacturing facilities and logistics operations. Since then the government of India has progressively relaxed lockdown conditions and has allowed most of the industries and businesses to resume operations in a phased manner. During the quarter, the Company has resumed its manufacturing facilities and is currently in the process of further scaling up its operations. Further, since the lockdown was still in force for a significant period of the reported quarter, the Company's operations were impacted however, management believes that the impact seems to be temporary in nature and the pandemic is not likely to have an impact on the recoverability of the carrying value of its assets as at 30 June 2020. The management is continuously and closely monitoring the developments and possible effects that may result from the current pandemic on its financial condition, liquidity and operations and is actively working to minimize the impact of this unprecedented situation. As the situation is still continuously evolving, the eventual impact may be different from the estimates made as of the date of approval of these financial results.
