SPARK MINDA IS FUTURE READY FOR SUPPLYING TO E-VEHICLE MANUFACTURERS

Gurgaon, 1st November 2019: Global Automotive Component Manufacturer 'SPARK MINDA GROUP is proud of associating with Bajaj Auto, India's first major two-wheeler manufacturer to take the plunge into electric mobility.

We are proud to supply our products such as Keyless system consisting of electronics steering column lock, Key FOB, Smart ECU, Seat and glove box actuation mechanism and few Die casting components during the recent launch of the legendary Bajaj Chetak with its new glorious avatar of e-Scooter. It strongly reflects the confidence of our OEM partner on us and this motivates us to achieve newer milestones of success.

According to Mr. Ashok Minda, Group CEO, Spark Minda Group, "Our advanced R&D centre - Spark Minda Technical Centre (SMIT) is jointly working with Minda Corporation Ltd. to bring in various breakthrough technologies and innovative ideas for the market to cater to emerging trends of e-Mobility. Being the first of its kind in India, our keyless entry system in two wheelers would be a trend setter in automotive domain due to its comfort, convenience and top notch security functions."
