

Audit Report

Independent Auditor's Report

**To: S. R. Batliboi & Co. LLP**

**Opinion**

We have audited the accompanying financial information of Minda Europe B.V., which comprises the Balance Sheet as on 31st March 2022, and the Statement of Profit and Loss for the year then ended and notes to the financial statements, including the summary of significant accounting policies, for purposes of your audit of the consolidated financial statements/results of Minda Corporation group.

In our opinion, and to the best of our information and according to the explanations given to us, the accompanying financial information presents a true and fair view of the state of affairs of the entity as at 31<sup>st</sup> March, 2022 in accordance with those requirements of the Minda Group Accounting Policies/ Indian GAAP (as referred to in the Group Accounting Policies).

**Basis for Opinion**

We conducted our audit in accordance with the International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Management's Responsibility for the Financial Information**

Management is responsible for the preparation and presentation of this financial information in accordance with the Minda Group Accounting Policies/ Indian GAAP (as referred to in the Group Accounting Policies). This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and presentation of financial information that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. This financial information has been prepared solely to enable Minda Corporation group to prepare its consolidated financial statements.

The management is responsible for overseeing the entity's financial reporting process.

**Auditor's Responsibility**

Our objective is to obtain reasonable assurance about whether the financial information as a whole is free from material misstatement, whether due to error or fraud, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of our audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial information. The procedures selected depend on the auditor's judgment, including the identification and assessment of the risks of material misstatement of the financial information, whether due to fraud or error. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and presentation of the financial information in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, made by management, as well as evaluating the overall presentation of the financial information.

## Notes to accounts for the period ended March 31, 2022

### 1.05 Significant Accounting Policies

#### II. Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention, on the accrual basis of accounting and in accordance with accounting principles generally accepted

#### III. Uses of estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amounts of revenues and expenses during the reporting period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Future results could differ from these estimates.

#### IV. Investments

Long –term investments are stated at cost of acquisition. However Impairment value of Investments is determined and stated.

#### V. Revenues recognition

The Company assesses its revenue arrangements against specific criteria, i.e. whether it has exposure to the significant risks and rewards associated with the sale of goods or the rendering of services, in order to determine if it is acting as a principal or as an agent. The Company has concluded that they operating on a principal to principal basis in all its revenue arrangements.

When deciding the most appropriate basis for presenting revenue or costs of revenue, both the legal form and substance of the agreement between the Company and its business partners are reviewed to determine each party's respective role in the transaction.

#### VI. Provisions, contingent liabilities and contingent assets

Provisions are recognized only when there is present obligation as a result of past events and when a reliable estimate of the amounts of obligation can be made. Contingent liability is disclosed for (i) possible obligation which will be confirmed only by future events not wholly within the control of
