\*Note: Q1FY22 impacted by second wave of COVID

Commenting on the results, **Mr. Ashok Minda, Chairman and Group CEO** said:

*“The second quarter of FY23 witnessed a turnaround in consumer sentiments with pent-up demand across vehicle segments on both year-on-year and sequential basis. Despite strong cues in demand from the domestic market, we are still navigating the challenges arising because of subdued growth in exports and semiconductor supply crunch.*

*Amidst these tailwinds and headwinds, Minda Corporation continues to exhibit a sustained performance.*

*I am pleased to report that we have delivered the quarterly revenue of INR 11,471 million, registering YoY growth of 57%. The growth was driven by better revenue visibility across all business verticals, increase in share of business from existing customers and increase in content per vehicle. EBITDA for the quarter stood at INR 1,238 million with EBITDA margin of 10.8%, owing to higher operational efficiencies. We continue to drive strength from our robust balance sheet with debt to equity ratio of 0.06x.*

*With an eye on the emerging automotive mega trends, we recently entered into a Technology License and Assistance Agreement (TLA) with Daesung Eltec, Korea for Advance Driver Assistance System (ADAS) Passenger Vehicles, Commercial Vehicles and off-road Vehicles Segment. The collaboration will enable Spark Minda to be ahead of technology curve by providing localised ADAS solutions for the Indian market.*

*Going forward, we expect the demand to remain strong on the back of improved consumer sentiments, product premiumisation for urban centres and new vehicle launches despite geopolitical risks and anticipated economic slowdown in certain geographies. Moreover, stabilization of commodity prices is expected to aid improvement in underlying margins. We will continue to focus on growing our legacy portfolio while targeting new business through aggressively investing in R&D for future technologies.*

We remain committed to our customers and shareholders by providing best-in-class quality of advanced products, technologies and system solutions by continuously focusing on cost optimisation and right capital allocation”.

The Board of Directors  
Minda Corporation Limited**

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Minda Corporation Limited (the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and joint ventures for the quarter ended September 30, 2022 and year to date from April 01, 2022 to September 30, 2022 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Holding Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Holding Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the following entities enumerated in Annexure 1.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. The accompanying Statement includes the unaudited interim financial results and other financial information in respect of:
- 8 subsidiaries, whose unaudited interim financial results include total assets of Rs. 22,399 lakhs as at September 30, 2022, total revenues of Rs. 6,909 lakhs and Rs. 12,259 lakhs, total net profit after tax of Rs. 789 lakhs and Rs. 1,017 lakhs, total comprehensive income of Rs. 906 lakhs and Rs. 1,267 lakhs, for the quarter ended September 30, 2022 and the period ended on that date respectively, and net cash outflows of Rs. 205 lakhs for the period from April 01, 2022 to September 30, 2022, as considered in the Statement which have been reviewed by their respective independent auditors.
  - 2 associate and 1 joint venture, whose unaudited interim financial results include Group's share of net loss of Rs. 525 lakhs and Rs. 561 lakhs and Group's share of total comprehensive loss of Rs. 529 lakhs and Rs. 560 lakhs for the quarter ended September 30, 2022 and for the period from April 01, 2022 to September 30, 2022 respectively, as considered in the Statement whose interim financial results and other financial information have been reviewed by their respective independent auditors.

The independent auditor's reports on interim financial results of these entities have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures in respect of these subsidiaries, joint venture and associate is based solely on the report of such auditors and procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement in respect of matters stated above is not modified with respect to our reliance on the work done and the reports of the other auditors.
