Sub: Intimation of signing of Shares Subscription and Shareholders Agreement by Spark Minda Green Mobility Systems Private Limited (Wholly Owned Subsidiary of Minda Corporation Limited) (SMGMS) with EVQPOINT Solutions Private Limited (EVQPOINT) and its promoters & Other Ancillary Agreements with EVQPOINT in accordance with Regulation 30 and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Press Release

Dear Sir/Madam,

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform that Spark Minda Green Mobility Systems Private Limited (Wholly Owned Subsidiary of Minda Corporation Limited) (SMGMS) has signed Shares Subscription and Shareholders Agreement with EVQPOINT Solutions Private Limited (EVQPOINT) and its promoters & Other Ancillary Agreements with EVQPOINT including Technology License Agreement (TLA) on September 01, 2021.

EVQPOINT provides smart electric vehicle charging products and solutions indigenously designed and developed, to meet the growing needs of eMobility market. The company is a one-stop solution for electric vehicle portable chargers, DC fast chargers, and smart charging stations integrated with charge management system, mobile app, and interoperable tools.

Pursuant to the Shares Subscription and Shareholders Agreement SMGMS has agreed to subscribe for allotment of at least 26% of the Equity Share Capital of the EVQPOINT and EVQPOINT agreed to issue and allot the said Equity Shares on mutually agreed terms & conditions.

SMGMS and EVQPOINT have also entered into Technology License Agreement (TLA) and Joint Collaboration & Technical Assistance Agreement. This partnership with EVQPOINT is meant to strengthen the Spark Minda Group's EV Supply Equipment (EVSE) portfolio and offer battery chargers for both onboard and offboard configurations in the range of 250 W to 6.6 KW, with a roadmap for further range expansion.

Spark Minda Group enters into a strategic partnership with EVQPOINT Solutions to grow EV footprint

Partnership to develop high-quality, Made in India battery charging solutions portfolio for EV

Gurugram, India, September 1, 2021 — Minda Corporation Limited [MCL], through its 100% subsidiary Spark Minda Green Mobility Solutions, has entered into definitive agreements for acquiring 26% equity stake in charging solutions startup EVQPOINT Solutions. The investment will see Spark Minda Group, become EVQPOINT’s exclusive technology and manufacturing partner for battery chargers and EV supply **equipment**. This strategic partnership will position Spark Minda to capitalize on the accelerating shift to electric mobility and further bolster its position as a one stop shop for comprehensive charging solutions for EVs including fast charging feature.

Aakash Minda, Executive Director, Minda Corporation, said, “Spark Minda Group has been investing in new technologies for sustainable growth. Our partnership with EVQPOINT is meant to strengthen the group’s EV Supply Equipment [EVSE] portfolio and offer battery chargers for both onboard and offboard configurations in the range of 250 W to 6.6 KW, with a roadmap for further range expansion. The group would continue to build capabilities catering the entire EV value chain by developing future-ready product line, technologies and solutions, to harness the vast opportunity in electric mobility space in India.”

Latif Ameer Babu, CEO & Co-founder of EVQPOINT, said, “We are excited to join hands with Spark Minda, a leading Indian Tier-1 automotive parts brand. Over the years, Spark Minda Group has established itself as a provider of quality technology and solutions to OEMs around the country. Now, with this partnership we are laying the foundation to assume a leadership position in the rapidly-growing EV charging ecosystem.”
